By Becky Jane Lovell and Taylor Porter

Chillicothe Elementary School begins a new school year with a new principal, Mr. Jeff Fleenor. He moved to town with his wife, Susanne, and their five children. When asked what made him want to be a principal in Chillicothe, he responded by saying, "I like the small town atmosphere. I am impressed with the school and the superintendent here." Mr. Fleenor enjoys getting to know the students and making a difference in their lives. Many changes have been implemented at the elementary school for this year, to enhance educational opportunities and get students more involved at school. He looks forward to a great school year and becoming a part of our community.

Student Clubs Off to Good Start

By Katelynn Harris and Nate Husley

Welcome to a new school year at Chillicothe Elementary. We have many new and exciting things that our principal has set up for the students. One of the most popular changes is the addition of some educational clubs, such as Photography, Spanish, Games, Cooking, Art, and Technology. These clubs will help young Eagles prepare for life and careers while we have fun. Here at Chillicothe Elementary we are a family and Mr. Jeff Fleenor and all of the very supportive teachers and staff are here to help us be successful. A BIG THANKS 2 EVERYONE WHO IS WORKING SO HARD TO MAKE THE CLUBS SO MUCH FUN! GO, EAGLES!
